

REMARKS

Reconsideration of the above-identified patent application, as amended, is respectfully requested.

The Examiner has rejected claims 97, 99 and 100 which have been cancelled herewith leaving in the application the indicated allowable claim 98. Claim 98 was objected to as being dependent upon a rejected base claim; however, in the applicant's most recent amendment, claim 98 was placed in independent form. It is therefore believed the application is in condition for allowance and such action by the Examiner is respectfully requested.

Respectfully submitted,

By
